CAMP OASIS

MAKE THIS A SUMMER YOU'LL REMEMBER

At **Camp Oasis**. Boys and girls, ages 4-12, will work in age groups to have summer fun in music, drama, arts and crafts, sports, games and daily swimming. While providing a safe, caring, structured environment, Camp Oasis still believes in the magic of summer!

CAMP OASIS is divided into two 3-week sessions. Campers will end each session with a program for parents, family and friends. In addition to the regular curriculum, for campers at least eight years old, **Camp Oasis** will offer one overnight camp. This includes dinner, crafts project, movies, and a good time with their camp friends.

For your convenience, **Camp Oasis** offers extended camp hours, both in the morning and afternoon.

Our Staff members have been carefully interviewed and selected on the basis of their knowledge in their particular area, ability to work well with children and qualifications for any special program activities.

CAMP OASIS is located at Jeffers Hill Neighborhood Center in the Village of Long Reach in Columbia, Maryland.
The Camp is convenient to Route 175.
